REPORT OF THE SECRETARY-GENERAL PURSUANT TO RESOLUTION 908 (1994)

Addendum

FINANCIAL ASPECTS

1. By its resolution 48/238 B of 29 July 1994, the General Assembly authorized me to enter into commitments for the United Nations Protection Force (UNPROFOR) at a rate not to exceed $140 million gross ($138,778,800 net) per month for the period from 1 October to 30 November 1994. This authorization is subject to the review by the Security Council of the mandate of the Force.

2. Should the Security Council decide to renew the mandate of UNPROFOR beyond 30 September 1994, the monthly cost of maintaining the Force will be limited, initially, to the commitment authority contained in General Assembly resolution 48/238 B. I will report to the Advisory Committee on Administrative and Budgetary Questions and to the General Assembly on the additional requirements needed for the maintenance of the Force.

3. At 31 August 1994, unpaid assessed contributions to the UNPROFOR special account amounted to $955 million. Total unpaid assessed contributions for all peace-keeping operations at that date amounted to $2.4 billion.
